general report on the audit outcomes of local government

MFMA 2014-15

The information and insights presented in this flagship publication are aimed at empowering oversight structures and local and provincial government leaders to focus on those issues that will result in reliable financial statements, credible reporting on service delivery and compliance with key legislation.

This publication also captures the commitments that leaders have made to improve audit outcomes.

I wish to thank the audit teams from my office and the audit firms that assisted in auditing of local government, for their diligent efforts towards fulfilling our constitutional mandate and the manner in which they continue to strengthen cooperation with the leadership of government.
