

## REQUEST FOR INFORMATION (RFI)

The Auditor-General of South Africa (AGSA) has a constitutional mandate and, as the supreme audit institution (SAI) of South Africa, exists to strengthen our country's democracy by enabling oversight, accountability and governance in the public sector through auditing, thereby building public confidence.

The (AGSA) seeks to gather information on availability of suitable office buildings for its various business units. The objective of this is to Request for Information (RFI) from the property developers or commercial property owners to provide information on suitable office space that meets the AGSA requirements as detailed in the specification document and as advertised.
